La Asexualidad Vivir Sin Atraccion Ningun Sexo

Amada Traba,Chis Oliveira

La Asexualidad Vivir Sin Atraccion Ningun Sexo :

Género, sexo e identidad Fernando Bueno Teomiro, 2021-08-31 La variedad en la forma de vivir y expresar la propia identidad sexual y de género es una realidad manifiesta en nuestra sociedad Acercarse a la disforia de género de los menores en concreto conlleva poner en la palestra la realidad del sufrimiento de muchas personas que no se reconocen a sí mismas y que cuando se miran en el espejo no se aceptan ni se quieren Desde esta situación refiriéndose a ella como ideológica o de personas raras y enfermas supone despreciar sus heridas y sus lágrimas En Género sexo e identidad desde el principio tico de la responsabilidad y desde un enfoque multidisciplinar Fernando Bueno hace una rigurosa reflexión académica para mirar el rostro maltrecho de estas personas y salir a su encuentro **Salud sexual y reproductiva** Rosa María Zapata

Boluda, María Isabel Gutiérrez Izquierdo, 2016-02-15 Los cambios sociales ocurridos en los últimos años demuestran los avances que las sociedades actuales han hecho respecto al conocimiento actitudes valores creencias de la sexualidad humana Se han normalizado conductas sexuales que en otros tiempos han estado prohibidas e incluso condenadas El gobierno de los distintos países ha legislado nuevas leyes que favorecen la igualdad la equidad los derechos de las personas en materia de salud sexual y reproductiva así como la normalización de relaciones de parejas de distintos sexos y que diferentes organismos públicos sean los responsables de legalizar las múltiples situaciones de uniones de personas favoreciendo así el reconocimiento y aceptación de la población general La importancia de la sexualidad y de la educación sexual en la vida de las personas así como los derechos sexuales y reproductivos es hoy en día un pilar básico en las relaciones de pareja en el bienestar de las personas en la creación de la familia en la que las relaciones de género en la ocupaciones del espacio público el privado el doméstico etc tanto por hombres como por mujeres y produciéndose un beneficio mutuo El hombre se ha ido incorporando de manera gradual al mundo doméstico y al espacio privado y la mujer al mundo laboral y al espacio público Esta obra trata de todas estas cuestiones pero también de aquellos temas que dificultan una sexualidad saludable y como los profesionales de la salud enfermeros así como psicólogos o educadores pueden paliarlos La llamamos Salud Sexual y Reproductiva pues las autoridades internacionales en esta materia entienden que aunque lo sexual puede englobar lo reproductivo igualmente lo reproductivo puede englobar lo sexual **Amarte** Amada Traba, Chis Oliveira, 2019-05-23 Chis Oliveira y Amada Traba dos expertas en educación emocional y sexualidad en la juventud ofrecen en este libro una reflexión necesaria sobre las relaciones amorosas y el aprendizaje del amor Porque a amar se aprende Pero hombres y mujeres ni lo aprenden ni lo viven de la misma manera mientras ellos han sido socializados como sujetos y dueños de su destino a ellas se las empuja a vivir como seres sentimentales reproductivos y domésticos en la posición de objetos con cuerpos sexualizados Las autoras insisten en la necesidad de entender el amor como una construcción social patriarcal como un hecho político y no como una experiencia exclusivamente íntima y personal En estas páginas diseccionan contenidos que plagan las redes sociales la música la literatura y el cine para desgranar cuestiones como los diversos mitos del amor romántico la idea de que el amor es eterno y todo lo

puede o el típico de la media naranja el concepto de normalidad en lo que a amor y sexo se refiere con unas prácticas hoy día profundamente condicionadas por la pornografía o la violencia en el contexto de la pareja. Con un lenguaje accesible y de lectura fácil interpelan a un público amplio y nos invitan a pensar el amor desde una mirada crítica y a desaprender lo aprendido para poder examinar formas más enriquecedoras de amar desde el reconocimiento recíproco y el respeto a la autonomía.

Defensa del diseño inteligente Alejandro Sanvisens Herreros, 2015-03-18. La teoría del diseño inteligente considera que la estructura de la materia del cosmos y de los seres vivos manifiesta un diseño o un proyecto concebido por una inteligencia divina. En este libro se dan a conocer los principales indicios de este diseño a través de la complejidad de los seres vivos, del origen de la vida, de la estructura y las leyes de la materia y del desarrollo cósmico. Se defiende la teoría del diseño inteligente de los ataques que ha recibido por parte de los principales representantes del ateísmo contemporáneo.
